

Ski trip Friday night 10th February to Sunday 19th February (7 nights with 6 or 7 days skiing)

We are organising a club ski trip during the February half-term and have decided to follow the successful formula of the Alps trip using a minibus for transport and Gîte to cut the cost of accommodation.

We intend to take a minibus and drive out overnight staying in a Gîte on the edge of Chamonix. The cost for all transport, accommodation and breakfast is likely to be between £250- £330 (Max). Chamonix has 4 main ski resorts offering a variety of skiing from beginner to advanced. You will need to pay for lift passes and ski hire (and lessons if required) along with either self-catering in chalet or meals out.

The remaining places are in rooms of 4 with two bunk beds. (See picture)

The Gîte is La Tapia <http://www.latapia.com/> and is on the free bus route which links the resorts in the valley. The town centre is 5 minutes walk away.

5 of the 14 places have already been taken. If you would like a place (you do not need to be a skier! as there is plenty to do in resort) please contact me asap. I will require a £100 deposit to secure you place.
